

# Bravissimo!

At CTP Aviation our goal is to delight our jet charter customers. We get rave reviews for our *Citation XLS+* and calls for encores on our

*Encore*. In fact we offer what we think is the ideal private air travel experience for our Bay Area clients.

We're not the biggest jet charter company, but we're working to be the best.

# Virtuoso performances!

CTP Aviation offers you the highest levels of professionalism and personalized service. Charter our exciting new *Citation XLS+* or *Citation Encore*, and experience unsurpassed comfort and exceptional convenience. You'll also enjoy peace of mind, since we've earned a coveted Platinum Rating from ARG/US, a leading independent aviation safety firm.
