**ALLOW US TO TELL YOU MORE.**

**DISCOVER THE ULTIMATE IN PRIVATE  
JET SERVICES AT TWC AVIATION.**

TWC Aviation was founded in 1996 by internationally known entrepreneur Andrew Lessman. Familiar to many millions of television viewers, Mr. Lessman is the founder and owner of Pro Caps Laboratories, the world's premier manufacturer of vitamins. Today, TWC Aviation continues as a fast-growing leader in worldwide jet charter, management, maintenance, and sales. We'll soar beyond your expectations for luxury and service, safety and security, and attention to every detail.

WORLDWIDE JET CHARTER, MANAGEMENT, MAINTENANCE, AND SALES.

BEYOND YOUR EXPECTATIONS

EXPERIENCE UNSURPASSED PERSONALIZED SERVICE.

**T**ODAY THERE ARE HUNDREDS OF PRIVATE AVIATION COMPANIES promising you personal service. At TWC Aviation, we deliver on that promise. Since 1996, we've met the exacting standards and travel requirements of world leaders, Fortune 500 CEOs, film and recording stars, and other VIPs. You can rely on unsurpassed personalized service, safety, and security.

If you're a charter customer, you can choose from an exceptional variety of modern jet aircraft. Wherever you are, whatever your destination, you can find exactly the jet you want—and enjoy any service or amenity you desire.

If you own a private jet, our aircraft management services ensure worry-free aircraft ownership, as well as management, fuel, and insurance savings. You can offset the cost of jet ownership by adding your aircraft to our FAA Air Carrier Certificate. We even guarantee charter revenue.

We also have a wholly owned, FAA-authorized maintenance subsidiary, which provides full-service maintenance, repair, and refurbishing. And, we offer a select inventory of previously owned jet aircraft for sale.

For a higher level of service—worldwide jet charter, aircraft management, maintenance, and sales—come to TWC Aviation. We'll soar beyond your expectations.

### The TWC Aviation advantage.

*With worldwide capabilities and world-class expertise, TWC Aviation consistently delivers unmatched quality of service and the highest level of performance. Rely on us to meet your every need—and manage every detail—for international jet charter, management and maintenance, and sales.*

SUPERIOR WORLDWIDE CHARTER SERVICES

GET THE JET YOU WANT, WHEN AND WHERE YOU WANT IT.

W

HEREVER YOU ARE, WHATEVER YOUR DESTINATION, TWC AVIATION can provide the jet you want for your regional, national, or global journey.

We'll help you choose a jet based on your personal preferences, destination, the number of people in your party, and requirements for specific amenities. You can fly virtually anywhere in the world, whenever your schedule demands, including more than 2,000 airports that commercial airlines can not service.

Our internationally experienced charter specialists will manage every aspect—and every detail—of your journey. Our dispatch team will monitor your flight in real time. We'll maintain tight control, and quickly make any necessary decisions as circumstances dictate.

You can also enjoy the luxury and convenience of our highly personalized concierge services. World-class catering? Of course. A chauffeured limousine or an armored SUV? All you have to do is ask. Hotel or resort reservations? Customs permits and landing clearances? Executive protection services? 24-hour security guards for the aircraft? We are at your service to deliver these and any other service or amenity you require.

### Uncompromising safety and security.

At TWC Aviation, we are committed to meeting or exceeding federal and industry safety standards, and to maintaining our excellent record.

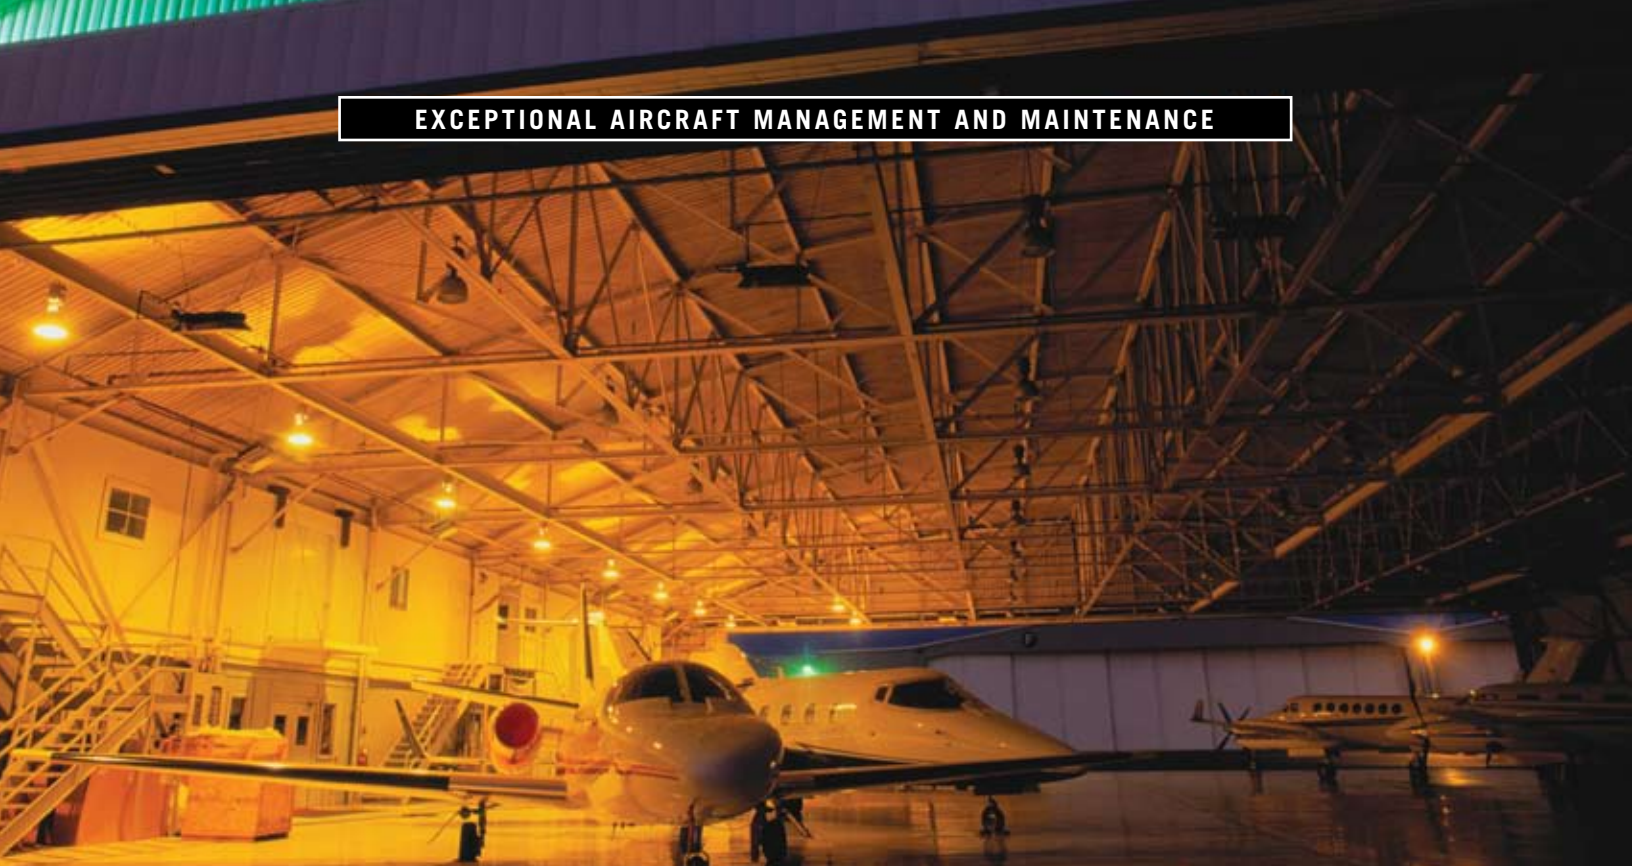

**Aircraft Maintenance:** We follow rigorous inspection and maintenance procedures. We even have our own 35,000 square-foot, FAA-Certified Repair Station, with a team of factory-trained mechanics, and the latest avionics, airframe, and power plant testing equipment.

**Pilot Training:** Each of our pilots takes emergency training courses every six months—twice as frequently as the FAA requires. Our pilots are professionally trained by FlightSafety®, using the world's most technologically advanced simulators.

**Independent Audits and Certifications:** We are certified by the FAA to fly worldwide for the purposes of jet charter. We are audited and approved by two of the leading independent aviation safety organizations: Wyvern Consulting, Ltd. and Aviation Research Group/US (ARG/US). We also have our own internal safety and security experts, who ensure that the best possible safety practices are in place.

EXCEPTIONAL AIRCRAFT MANAGEMENT AND MAINTENANCE

ENJOY WORRY-FREE JET OWNERSHIP.

*I*F YOU OWN OR PLAN TO BUY A PRIVATE JET, COME TO TWC AVIATION for worry-free aircraft management. We'll handle everything for you. You'll benefit from our superior expertise, as well as the convenience of just one monthly fee for all our services.

We'll maintain your jet to the highest standards at our own FAA-Certified Repair Station. And, since we belong to virtually every discount fuel program, we can negotiate the lowest possible fuel prices, worldwide. You'll also enjoy reduced insurance rates through our fleet policy.

When you're not using your jet, we can add your plane to our charter fleet to reduce your cost of ownership. We even guarantee charter revenue to maximize your return on investment (ROI). You also have control over who uses your jet. We will contact you with the details of every proposed charter flight using your aircraft. You can review any flight before it is confirmed.

**Maximize your ROI with guaranteed charter revenue.**

*When you put your aircraft on our FAA Air Carrier Certificate, we actually guarantee charter revenue. This will help you offset the costs of jet ownership, and enjoy the highest return on your investment.*
